

## KSL 5001 GB

Table top, undercounter

Energie class

**A++**

### Energy features

|                                  |                   |
|----------------------------------|-------------------|
| Energy class                     | A++               |
| Energy consumption in kWh / year | 136 kWh           |
| Temperature rise time            | 10 Std.           |
| Freezing capacity kg/24 h        | 2 kg/24 h         |
| Climatic Class                   | SN/ST (10-38°C)   |
| Noise emission dB(A)             | 41 dB(A)          |
| Power supply                     | AC 220-240V; 50Hz |

### Equipment

|                               |            |
|-------------------------------|------------|
| Display                       | -          |
| Number of shelves             | 2          |
| Type of shelves               | glass      |
| Door shelves                  | 3          |
| Refrigeration system          | static     |
| Automatic defrosting (fridge) | yes        |
| Freezer compartment           | yes / **** |
| Deep freezer                  | -          |
| Refrigerator drawers          | 1          |
| Freezer drawers               | -          |
| Indoor lighting               | yes        |
| Temperature control           | yes        |

### Others

### General specifications

|   |                       |
|---|-----------------------|
| Category                                | 7                     |
| Type                                    | combi fridge          |
| Volume refrigerator gross / net         | 102 liter / 100 liter |
| Volume freezer gross / net              | 14 liter / 14 liter   |
| Outsourcing temperature "other shelves" | -                     |
| Volume total gross / net                | 116 liter / 114 liter |
| Frostfree                               | fridge                |
| Built-in product                        | -                     |
| Design                                  | Softline              |
| Color                                   | white                 |
| Reversible door                         | yes                   |
| Adjustable feet                         | yes                   |

### Dimensions / Logistics data

|   |                        |
|---|------------------------|
| Article number                          | 10722474               |
| EAN-Code                                | 4024862102401          |
| Dimensions (HxWxD) / Weight             | 820x497x579 / 27,5 kg. |
| Carton dimensions (HxWxD) /Gross weight | 879x540x610 / 29,5 kg. |
